

## Principal's Messages

Welcome back! We hope you all enjoyed the beautiful weather during Spring Break and were able to enjoy some time with family and friends. Spring is such an exciting time at the school with many activities going on. Please have a look at the important dates on the calendar.

I am happy to be back at school doing a gradual return to work. I have missed spending time with your children. It is such a joy to share their energy and passion for learning. Reena and I will be sharing responsibilities while I transition back. I am so thankful for her.

Welcome Back!

It has been a delight to hear students talk about their Spring Break adventures. I am always in awe of how much the children grow during this time of year. We are looking forward in continuing to learn and grow! Our goal is to continue to bring experiences and activities to the children that they can engage in.

I am also very appreciative of the opportunity to continue to support Tara in her return back to work.

Ms. Nahal
