

Alexander Elementary Weekly Newsletter

October 6 – October 10

Message to community:

On our recent Professional Development Day, staff engaged in powerful learning focused on Truth and Reconciliation. Through the Blanket Activity, we explored the history of Indigenous peoples in the Fraser Valley, gaining a deeper understanding of the impacts of colonization and the importance of reconciliation in education.

We also worked on our school goal, which focused on literacy, numeracy and student well-being. We look forward to working with you on the school goals.

A quick reminder: we have many families relying on the Starfish Backpack Program, but we receive a limited number. If your family is receiving a backpack and no longer needs it, please let us know so we can support others on the waitlist.
