

Alexander Elementary Weekly Newsletter

September 15-19

We are super excited to see our Kindergarten families joining us this week.

Thank you for your patience as we moved your children into classes. We appreciate your support and willingness to talk to your child through hard things.

Now that gradual entry for Kindergarten is over, I would like to remind you that we are a closed campus for the safety of your children, please stop at the office to sign in and we will walk your child to class. We appreciate your support with this.

We have supervision on the playground starting at 8:15. Please do not send them before 8:15.

Drop off/ Pick up

If you are driving your child to school, please park on the street and walk your child onto school grounds. Please do not park in the staff parking lot and please do not pull u-turns in the middle of street as a child could be crossing the street. We are trying to keep all students safe.

Lost and Found

Our lost and found is already growing. If you are able to label your child's clothes, we do our very best to get any clothes left on the playground back to them.

Absences

If your child is going to be absent, please use Safe Arrival to inform us. If students are late, please come and check in at the office. If you are not going to be riding the bus, please also let us know that you are picking up your child. School phone number is 604-859-316. Please leave a message if phone is unanswered. Messages are checked frequently.

Kristen Vogel

A message from the Alexander PAC:
