

Alexander Elementary Weekly Newsletter

September 8-12

This week:

6:30 PAC Meeting @ Alexander

Message to community:

We've had a wonderful start to the school year and are so excited to welcome your children back into the building! We have had the opportunity to meet some of you and look forward to working with you and your child to make their educational journey a success this year.

This week has been all about reconnecting, settling in, and building community. Students have enjoyed seeing their friends again and have begun forming strong connections with staff. Our kindergarten families have also joined us, and we are thrilled to have them in the building. These young learners are already working hard to build their stamina for full school days, and we look forward to creating many joyful memories and meaningful learning experiences with them.

At this time, we are still waiting for final approval from the District before placing students into their permanent classes. We appreciate your patience and understanding as we work through this process. In the meantime, our staff is focused on creating a welcoming and engaging environment for all students.

We are looking forward to a year filled with growth, learning, and connection. Thank you for your continued support and partnership.

Drop off/ Pick up

If you are driving your child to school, please park on the street and walk your child onto school grounds. Please do not park in the staff parking lot and please do not pull u-turns in the middle of street as a child could be crossing the street. We are trying to keep all students safe.

Lost and Found

Our lost and found is already growing. If you are able to label your child's clothes, we do our very best to get any clothes left on the playground back to them.

Absences

If your child is going to be absent, please use Safe Arrival to inform us. If students are late, please come and check in at the office. If you are not going to be riding the bus, 7. please also let us know that you are picking up your child. School phone number is 604-859-316. Please leave a message if phone is unanswered. Messages are checked frequently.

Kristen Vogel
